## **Raghav Productivity Enhancers Limited (RPEL)**

### **1. Scope**

This policy governs the investment of all surplus funds of Raghav Productivity Enhancers Limited (along with its wholly owned subsidiary, Raghav Productivity Solutions Private Limited, referred to as “RPEL”). It excludes statutory employee benefit funds and strategic investments in subsidiaries, JVs, etc. and applies solely to discretionary funds not required for immediate operations.

### **2. Investment Objectives**

- a. Return on Investment (Yield): Aim to achieve competitive returns within the constraints of safety and liquidity. Premature liquidation may be considered for:
  - i. Avoiding losses from deteriorating credit.
  - ii. Meeting cash flow requirements.
- b. Safety: Preservation of principal is the foremost objective. Investments must be made prudently to minimize credit and interest rate risks.
- c. Risk Mitigation:
  - i. Engage only with pre-qualified, financially sound institutions
  - ii. Diversify investments to avoid over-concentration in any one issuer
- d. Liquidity: Ensure availability of cash to meet foreseeable and unforeseen business needs by investing in instruments with active secondary markets or short maturities.

### **3. Standards of Care**

- a. Prudence: Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of capital as well as the probable income to be derived. All due diligence undertaken while evaluating an investment proposal in equity/equity linked or corporate bond instruments shall be documented.
- b. Ethics & Conflicts of Interest: Employees involved in investments must avoid conflicts of interest and disclose any financial interests in institutions they deal with.
- c. Delegation of Authority: The Managing Director and Chairman to delegate responsibilities to designated officers under a system of internal controls.

#### **4. Eligible Investments**

Investments shall be limited to the following instruments:

<b>Instrument</b>	<b>Criteria</b>
